

HOW TO CREATE YOUR *Life Plan*

Discover Everything About

done

- Yourself (who you really are, your talents,...)
- Your Purpose
- Your Values
- Your Most Important Life Areas
- What You Want Them To Be Like

Write Everything in a Notepad

done

Check It Often

done

You can see if your life follows your plan or not. If not, why? If not, and you want to change, do it.

Anything New In Your Life?

done

Is it aligned with your life plan?

If not, do you still want it? What consequences can it have?
